Whereas His Honor the Mayor in his recent message

amble and resolution:

Whereas His Henor the Mayor in his recent message calls attention to the fact that no payment of interest on the moneys of the county has been made by the County Treasurer to the head of the Finance Department or credited to the several county accounts, although frequent direction has been given by the Comptroller to make such return and credit; and whereas the County Treasurer refuses to comply with the direction of the Comptroller on the ground that he has been advised by his private counsel to retrain from such payments and credits, and that as County Treasurer he is responsible only to the Board of Supervisors.

Resolved, That a committee of three be appeinted by the Mayor, as President of this Board, to conier with the Comptroller for the purpose of promising payment of the accrued interest on the public moneys deposited by him, and that said committee be directed to report what action, in their judgment, is necessary to carry into effect

him, and that said committee be directed to report wh action, in their judgment, is necessary to carry into cite the suggestions of His Honor the Mayor in regard to the manner of keeping the public moneys and the selection of a proper custodian thereof.

Supervisor Van Schalok said he thoroughly agreed with the resolution, but would suggest that it be referred to a standing committee instead of a special committee, as it was not desirable to multiply special committees.
